Evergreen Site Council

Meeting Minutes

9/21/26, 1:00pm

Members Present:

Monica Haley (Principal)
Karreen Ghena (Assistant Principal)
Tawnya Campbell (Teacher)
Brandi Rough (Parent)

1. Overview of site council
    a. Our top priority is that we get input on what our school community cares about.
    b. Student helper shared what a stakeholder is - someone who cares about what is happening at the school.

2. Summary of new CKLA curriculum for ELA and Math for the past two years
    a. Consistency across district/grade levels
    b. Grade level teams meet in PLC's to review and deliver instruction that targets priority standards
    c. Kindergarten saw success last year

3. Testing
    a. Reading - NWEA and Dibels
    b. Math - NWEA and Acadience

4. Biggest barriers to teaching at Evergreen
    a. Attendance - students not coming to school and missing critical instruction
    b. Students physically present but not ready to learn

5. Parent question about "brain breaks"
    a. Explained how brain breaks are used to help students get energy out, refocus for learning.

6. Review of school schedule/instructional minutes

7. Explanation of parent volunteer process and classified substitute process

8. Review of SST process

9. Parent questions around health curriculum
    a. Health curriculum available to parents to review before it's taught in 2nd quarter
    b. Email will be sent to parents soon letting them know they can come in and review curriculum

10. Afterschool pickup is still taking some time for parents to get used to.

Meeting adjourned at 1:36pm.
