Student Gifts and Solicitations

OSBA has removed this policy from its samples

Students or students' organizations desiring to present gifts to the district must have prior approval of the Board before such presentations are made. If fund raising is needed for the gift, it is to be done in accordance with the Board policy on student fund raising.

The solicitation of charitable contributions from students will be restricted to drives approved by the Board. Any charitable organization desiring to distribute flyers or other materials to students in connection with fund drives may do so with the approval of the superintendent or designee.

The Board also expects the solicitation of money for gifts for activity sponsors, teachers or other individuals to be under school control.
