

Athletic Director Report
September 23, 2026

This past month has been another tough one with the weather being unbearably hot. Our outdoor teams were forced to limit practice, move practice times, or practice inside. Luckily, we were able to get in all necessary games by having later starts or moving conference games to another date. Our JH baseball and softball teams started regional play on Tuesday. The softball girls lost to a very strong Smithton team ending their season. Our baseball team defeated Red Bud 6-3 which sends them to the Regional Championship on Thursday at Smithton.

Our other fall teams are moving forward and working hard. As they come to the middle of their seasons they have seen some great improvements as well as battled numerous injuries and pitfalls. Coaches are working to get back on track in the second half of the fall season.

I am pleased to announce that our varsity volleyball team placed 3rd in the Red Bud Invitational tournament last weekend. This is the best we have ever placed since the start of the tournament. We also had two team members make it on the All-Tournament team. Congratulations to Keara Prater and Izzy Mushaney who were voted on by opposing team coaches to earn their place on the All-Tournament Team!

Upcoming important dates include:

- Fox League registration starts—Oct. 1
- JH girls basketball tryouts—Oct. 5
- JH boys basketball tryouts—Oct. 13
- Volleyball senior night—Oct. 15
- Football, cheer, dance, cross country senior night—Oct. 16
