

## Mr. Hennen 2028 Europe Trip Proposal

### Purpose:

My goal is for the students to gain independence while experiencing and developing a love for world travel, and for them to gain an understanding that the world is a big place worth exploring, full of different things worth experiencing and different people who are worth meeting.

EF tours provides a great blend of History, Geography, Art, Music, Food, Language and experience that lends itself to a full cultural immersion like experience.
