

HIGH SCHOOL BOARD OF EDUCATION REPORT (SEPTEMBER 2026)

BHS Celebrations:

- Bridgman High School continues to receive recognition for the accomplishments of our students and staff. BHS was recently ranked #20 in Michigan and #1 in Berrien County by U.S. News & World Report. This recognition reflects the hard work of our students, teachers, and staff.
- During the 2025-2026 school year, our students completed 86 AP exams, with 92% earning a passing score for college credit. We are extremely proud of the dedication and academic achievement demonstrated by our students.

College & Career Month:

BHS will be hosting its Annual College and Career Month in October. We will be encouraging students to make plans for post-secondary education. The 9th graders will be attending the County Career Pathway Day on Friday, October 16. Mrs. Fast will be taking interested juniors and seniors on a college visit to LMC on Friday, October 30, and to SMC on Thursday, October 15. She will also be facilitating our annual FAFSA night in October.

PSAT:

On Wednesday, October 14, 9th- and 11th-grade students will take the Fall PSAT test. During this time, seniors will participate in the annual workshops. They will rotate through three sessions: a sex education refresher, personal finance, and a college application session. This is a ½ Day for High School Students Only.

This month, Dan Wei from Berrien RESA provided a detailed analysis of student performance on the Spring assessment, with data disaggregated by specific skill areas for each student. This breakdown will provide our teachers with valuable insight into individual strengths and areas that need improvement.
