

September 9, 2026

Ranae Seykora, Superintendent
Nevis Public School District, ISD #308
PO Box 138
Nevis, MN 56467-0138

Dear Superintendent Seykora,

Minnesota Statutes 2025, section 123B.595, subd. 4(a) requires a district qualifying for Long-Term Facilities Maintenance (LTFM) Revenue to submit a ten-year facility plan for Commissioner approval. Under subd. 10, this plan includes costs for:

- 1) deferred capital expenditures and maintenance projects necessary to prevent further erosion of facilities;
- 2) increasing accessibility of school facilities; and
- 3) health and safety capital projects under Minnesota Statutes 2025, section 123B.57.

The Minnesota Department of Education (MDE) has received the ten-year facility plan from your district. The plan has been reviewed by MDE staff and is approved for Fiscal Year (FY) 2028.

The ISD #308 Health & Safety (H&S) Project (\$100,000 or more) and Roofing Project (\$100,000 or more) are approved for a bond issue total up to \$8,070,000. A separate bond schedule is required to be submitted for Voluntary Pre-Kindergarten (VPK) Remodeling, Health and Safety (H&S) Projects \$100,000 or more, Roofing Projects \$100,000 or more, Deferred Maintenance Projects, and other LTFM bonding.

When you receive the final bond repayment schedules, please e-mail a copy to Brenda.Domeier@state.mn.us.

Thank you for working with us to improve school facilities for Minnesota students.

Sincerely,

A handwritten signature in cursive script that reads 'Patty Hand'.

Patty Hand
Chief Operating Officer
