Please note: If district custodial staff is required to clean the lot following an event, the costs will be billed directly to the Lions Club.
- The Lions Club is responsible for providing, maintaining, and managing any portable restroom facilities needed.
- All portable bathrooms and equipment must be securely locked up at the end of every market day.
- If a market week is canceled, the Lions Club must notify the facilities department.
- This approval can be revoked at any time without notice.
- Should the district require the use of the space for any reason, the market must be canceled for that weekend.
