ADDITIONAL INFORMATION AND/OR BACK-UP:

SBISD students were encouraged to participate in a Summer Reading Challenge with a goal of logging at least 1,000 minutes of reading over the break. Students could read physical books, e-books and/or audio books of their choice. Reading throughout the summer enables students to maintain and improve their reading skills, which leads to greater academic success for the coming school year.

The Board of Trustees will recognize the top Summer Reading Rockstars (based on minutes read).
