AI Code of Ethics

Data Privacy

Strict protection of student and staff personally identifiable information (PII).

- Prohibit confidential district data in public AI systems.
- Ensure alignment with FERPA & state mandates.
- Use vetted platforms with active Texas DPAs.

Student Integrity

AI serves as a supplemental tool for learning, not a replacement for original thought.

- Plagiarism and cheating are strictly prohibited.
- Transparent citations of AI use are required.
- Focus on skill development and tutoring.

Staff Ethics

Staff utilize approved tools to enhance instruction while maintaining professional oversight.

- Human judgment remains mandatory for all grading.
- Model responsible digital citizenship.
- Ensure equitable, safe access for all learners.

Procurement Item

Multiple Cooperative Contracts: Computers, Equipment, Supplies, Peripherals and Technical Services

The evaluation committee recommends the following 17 vendors from multiple cooperative contracts for an estimated amount of \$1,800,000, which represents the best value to the District. Purchase orders will be processed as needed.

- In effect for a period of one year beginning 11/14/2026, and ending 11/13/2027.
- Funding is available in 181 Athletic Fund, 199 General Operating Fund, and 211 Title I Fund.

Purpose: To purchase non-standard computers, supplies, peripherals and related services for districtwide use. Supplies to be purchased include items such as data storage, input devices, system components, etc.
