Re: Girls Gymnastics Cooperative Sponsorship Application

Recommendation: That the Board of Education approves the application of a Girls Gymnastics cooperative sponsorship with Eagan High School and approves the registration fee being set at \$250 which is commensurate with similar programs offered through cooperative sponsorships.

Notes:

- We have not offered Girls Gymnastics in many years.
- We now have one confirmed high school student who desires to participate in Girls Gymnastics. Eagan High School is in need of more participants and opened the opportunity for us to form a cooperative (co-op) with them.
- This co-op will allow current and future Girls Gymnastics participants an opportunity to participate and compete.
