Subject: Color bands and Tango

I am requesting the following agenda item:

Review and possible action of a printed side-by-side comparison of services provided by Tango and Color Bands including the exact classroom coaching provided by tango and color bands, describing who is involved in the classroom with the teacher in need of assistance and what materials, in general, are used. Additionally include the exact source of the preliminary student performance data retrieved by each program and the process used to receive said data which is used to determine areas in need of attention. Also, for the last two years, report specific data on how the use of tango and color bands improved student outcomes. Additionally provide information of what other options for use of the TIA funds will be considered if color bands is not approved.

Yours in Service,
Neida Ruth Soto- Grantland M.Ed.
