Policy 2420P1 – Parent and Family Engagement – Guidelines

In order to achieve the level of parent and family engagement outlined in District Policy 2420 these procedures guide the development of each school's annual parental involvement plan designed to foster a cooperative effort among parents, school, and community.

Parent involvement activities developed at each school will include opportunities for:

1. Volunteering;
2. Parent education;
3. Home support for the child's education; and
4. Parent participation in school decision making.

The District will provide opportunities for professional development and resources for staff and parents/community regarding effective parent involvement practices. The District encourages schools to include family literacy when a substantial number of students have parents who do not have a secondary school diploma or its recognized equivalent or have low levels of literacy.
