

OHS BASEBALL PROGRAM

2027 FL TRIP PLAYER CONTRACT

Okemos High School believes that athletes and other students traveling away from the OHS campus to participate in school-sponsored events do so as a representation of their team, their school, and their community. Athletes are therefore expected to conduct themselves in a manner that is consistent with the high standards set forth by the Okemos Public Schools (OPS) leadership team.

Your selection to travel to Ft Myers, Florida to participate in spring training baseball activities comes with a high degree of responsibility and accountability. Below is a list of expectations that must be, at all times followed while traveling to and from Florida:

1. Athletes are expected to display proper behavior while in private vehicles, school-provided transportation, airport and airplane, training complex, restaurants.
2. While traveling, athletes are expected to remain with their team unless of course they need to utilize the restroom.
3. The properties where athletes will be housed should be maintained with respect and consideration for property owners. Any property damaged resulting from a complete disrespect for the property itself, will be the responsibility of the responsible player's parents/guardian.
4. Coaches will enforce curfews, at which time athletes must be in their rooms ready to call it a night.

Traveling to Florida while representing OPS is a privilege and not a right. In order to enjoy this privilege, athletes should conduct themselves in the best manner at all times. If the coaching staff believes an athlete has violated these policies and expectations, disciplinary action, up to and including suspension from participation in team events will be applied immediately. More specifically, if an athlete is found to be drinking alcohol and/or using other drugs (i.e. marijuana), the athlete will immediately be suspended from participation in all activities and the athlete's parent will be required to fly to Florida to pick up their son. Upon a return to school, the administration and coaching staff will review infractions to determine if further discipline is required according to general school policy.
