

Decatur Independent School District
Board of Trustees Agenda Item

To: Board of Trustees
From: Taylor Williams
Subject: MEP engineering services for Life Cycle Replacement projects
Meeting Date: October 19th, 2026
Type of Item: ☐ Information ☐ Presentation ☒ Consent Agenda ☐ Discussion ☐ Action
Supporting Documents: ☒ Yes ☐ No

Background Information and Rationale:

Mechanical, Electrical, and Plumbing (MEP) Life Cycle Replacement projects were approved as part of the DISD 2026 Bond Program. To support the design and implementation of these projects, the District conducted an RFQ process for professional engineering services. Following review and evaluation, the DISD selection committee selected EMA Engineering as the recommended firm to provide MEP engineering services for these bond-funded Life Cycle Replacement projects.

Support of Strategic Goals:

4.2 DISD will create and maintain systematic long-range facility management.

Fiscal Implication:

TBD

Administrative Recommendation:

We recommend Board approval of **EMA Engineering** for Mechanical, Electrical, and Plumbing (MEP) engineering services associated with the District's approved Life Cycle Replacement projects.
