Principal Cindy Granatir

Distinguished Students

3rd/4th Grade

Miss Marti's 3rd/4th grade developed research, writing, and presentation skills as part of an animal studies unit. The class completed the entire writing process, including multiple drafts with revisions, before composing their final drafts. Then they presented their research to a live audience and even answered follow-up questions.

Cocoa, Mary, Maria, Priscilla, et al

Several students worked to cut maktak and cook uunalik for whaling crews during Kaktovik's whaling season. They graciously shared traditional foods with teachers and happily taught about local ways.

Distinguished Staff

Kathy Daclan, 7-12 math/science – Certified Staff

Ms. Kathy is the only current tenured teacher at Kaveolook School. She serves in a teacher leadership role, is well respected by the students, strives to provide meaningful and engaging lessons, serves as the site tech, and opens the gym for night rec six days every week.

M&O Team – Classified Staff

The amazing M&O team here works together to keep all the school buildings operational, clean, and safe for students and staff. They are truly a team and always step up to help wherever needed: prepping and serving in the kitchen, transporting students or teachers, cleaning floors, or delivering water on the weekend. They often work 7 days/week without complaint.
