RE: Acceptance of Donation

Ms. Melinda Thomas has donated a 2019 Chevy Cruze LT Sedan to the high school's auto shop department. The auto shop department is very excited to receive this donation.

I respectfully request that the East Aurora School District 131 Board of Education approve this donation.

A letter of acknowledgement can be sent to the following individual:

Melinda Thomas
256 Calkins Dr

Sincerely,

A handwritten signature in black ink, appearing to read "Kevin R. Marten". The signature is fluid and cursive, with the first and last names being more prominent.
