Amplifying Student Voice,  
Strengthening School Boards

**AMPLIFY STUDENT VOICE. STRENGTHEN LEADERSHIP. INSPIRE IMPACT.**

The Minnesota School Boards Association (MSBA), Eastern Carver County Schools, and Bloomington Public Schools are proud to host Minnesota's fifth annual Amplifying Student Voice Event. Students, school board members, and district leaders are invited to come together to share ideas, build connections, and explore how student perspectives can help shape stronger schools. Leave inspired with new strategies, fresh insights, and valuable connections from across the state.

## WHO SHOULD ATTEND

This event is for students, along with the educators and leaders who support them.

**We encourage districts to bring a team that includes:**

Student school board representatives  
School board members  
Superintendents  
High school principals

**Don't have a student school board representative? No problem!** We'll have a dedicated breakout session for districts interested in learning more about student voice and exploring different models for student engagement.
