Attendance:

Each day that a class has 100% of their students here in September, they received an apple. This month 76 apples were awarded. For October, classes will receive pumpkins. This year we are continuing FAB Friday dress up days to promote Friday attendance. At the end of each day we announce the percentage of attenders for the day, the classes that had 100% and if the school or grade level was over 95%. Any 95% attendance day or higher is celebrated with a 1 minute dance party.
