COUGAR NATION NEWS

OCTOBER 2026

New from the Principal

September was a great start to the school year at IVHS! Our students and staff have jumped in, worked hard, and are showing what it means to Live RED every day. We have seen students setting goals, getting involved in activities, supporting one another, and finding ways to make IVHS a great place to be. Whether it's in the classroom, on the field, or just helping someone out in the hallway, there have been a lot of good things going on at IVHS.

Our September theme, Launch and Level Up, was all about starting the year with purpose. Students had the opportunity to think about what they want to accomplish this year and set some goals to help get them there. It has been great to see the excitement and positive energy that has come with a new school year.

Now we are ready to jump into October! We have a fun month ahead, starting with Homecoming Week on October 5th. There will be activities and school spirit throughout the week, with the Homecoming Dance on Friday, October 10th. October will also bring our Halloween Happenings theme, with different games and activities taking place in classrooms throughout the month. It should be a fun way to keep students engaged, connected, and enjoying their time at school.

Thanks to our students, staff, and families for helping us get the year off to such a great start. Let's keep the momentum going and continue to Live RED!
