MAP Growth

Percentile. Norm-based information about where a student's observed score falls within the range of scores produced by other same-grade US students.

Median percentile. The middle percentile value when a group of percentiles are ordered from lowest to highest.

Distribution. A representation of the range of scores for a group of students, indicating the number and/or percentages of scores within five percentile levels, or quintiles.

Quintiles. Five percentile levels based on NWEA normative data: 1st–20th (red), 21st–40th (orange), 41st–60th (yellow), 61st–80th (green), and greater than 80th (blue).
