

For the 2026-2027 school year, Coppell ISD's revenue from Tier 1 and/or Tier 2 funding will exceed the amount of the district's entitlement under TEC Ch 48.266 (a)(1) and/or TEC 48.202 (a-1)(2).

This determination is based on estimated enrollment and taxable assessed property values certified by the Dallas County Appraisal District for tax year 2026.

The district must reduce its EXCESS LOCAL REVENUE LEVEL for the 2026-2027 school year. The district annually agrees to reduce its excess revenue through recapture payments to the state allowed under TEC Chapter 49, Option 3.

It is our recommendation that the Board of Trustees approve the Agreement for the Purchase of Attendance Credits using the motion as presented. In addition we recommend that the Board delegates contractual authority to obligate the school district to the superintendent so that he can submit the contract through TEA's electronic system (TEAL).

Motion:

"For the 2026-2027 school year, we delegate contractual authority to obligate the school district under Texas Education Code (TEC) §11.1511(c)(4) to the superintendent, solely for the purpose of obligating the district under TEC, §48.257 and TEC, Chapter 49, Subchapters A and D, and the rules adopted by the commissioner of education as authorized under TEC, 49.006. This includes approval of the Agreement for the Purchase of Attendance Credit or the Agreement for the Purchase of Attendance Credit (Netting Chapter 48 Funding)."
