Re: Acceptance of Snow Plow Bid - North Bay Hydroseed - 2026-2028 Snow Seasons

Dear Members of the Board of Education,

On behalf of Boyne City Public Schools, I am writing to notify you that we have accepted the snow plow bid submitted by North Bay Hydroseed for snow removal services once again this year.

The accepted bid covers the 2026 through 2028 snow seasons.

North Bay Hydroseed was selected following review of all submitted bids for compliance, pricing, equipment availability, and ability to service all district properties in a timely and safe manner. Their proposal met all district requirements for the upcoming contract period.

We will proceed with finalizing the service agreement for all school buildings and district facilities.

A copy of the accepted bid and proposed service agreement will be made available for your records.

Thank you for your continued support.

Sincerely,
Kurt Rand
Director of Operations
