Policy Changes – TPSD Policy IHAMB-E Abstinence Education

Mr. David Meadows
Interim Superintendent

Second Reading of Revised Policy IHAMB-E Abstinence Education

In March 2011, the governor signed HB 999 as passed during the 2011 Legislative Session. HB 999 requires each public school district to adopt either an abstinence-only or abstinence-plus education policy by June 30, 2012. The Tupelo Public School District has had policy IHAMB-E Abstinence Education in place since February 2000.

Attached is a revised Policy IHAMB-E that brings the current Policy IHAMB-E into compliance with the requirements of HB 999. I am recommending that the Board of Trustees adopt Policy IHAMB-E and authorize the superintendent to notify the Mississippi Department of Education that the District has adopted an abstinence only policy.
