A hot spot is our next opportunity for growth —not a statement that a campus is underperforming.

Tiered Instruction: Meeting Students Where They Are

The level of support increases as student need increases

TIER 3

INTENSIVE

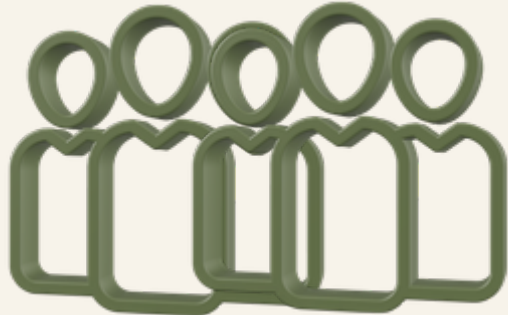

5% of students, intensive support

TIER 2

TARGETED

10%–15% of students shortterm, small-group boosts alongside their regular classes to stay on track

TIER 1

CORE INSTRUCTION

80% to 90% of all students should meet gradelevel expectations
Outcome Goal: Ensure the majority of learners succeed without intervention.

HOW CAMPUSES PROVIDE ADDITIONAL SUPPORT
