Policy KI — Visitors to Schools

***DELETE* Regulation KI-R — Visitors to Schools**

Exhibit KI-E — Visitors to Schools

Policy KI has been revised to incorporate relevant provisions of Regulation KI-R and consolidate visitor requirements in one policy. The revised policy clarifies school and classroom visit procedures, including principal approval, advance arrangements for classroom visits, and the requirement that visitors report to the school office upon arrival. The policy also identifies restrictions applicable to visitors, including prohibitions involving alcohol, weapons, drugs, and tobacco or tobacco products on District property, and clarifies consequences for failure to comply with District requirements or lawful directions.

Regulation KI-R has been incorporated into Policy KI under the headings *Visitor Procedures* and *Compliance*. Accordingly, Regulation KI-R has been removed from the model manual.

Exhibit KI-E has been revised to provide a more complete request and approval form for school and classroom visits, tours, and observations. The exhibit adds visitor contact and scheduling information, identifies the type of request, and incorporates acknowledgment of principal approval, school office check-in, and compliance with District visitor requirements.
