RE: Bus Garage Door Bids

It is time to replace the garage doors at the bus garage. While Mr. Howie has done an excellent job maintaining and repairing them over the years, rust and age have led to overall structural deterioration. Attached are three competitive bids along with the supporting project details. Bulldog Garage Doors is the lowest responsible bidder, and I recommend awarding them the contract. Special thanks to Lea Howie for her valuable assistance in planning this project.

We will use Capitol Improvement Project funds for this purchase.
