Assistant Superintendent's Board Report

October 12, 2026

- **District of Innovation / District Advisory Committee** - The District Advisory Committee met on October 5th to review the District Improvement Plan and proposed amendments to the District of Innovation Plan. The proposed amendments are included as agenda items tonight for the Board's review and consideration.
- **Emergency Operations Plan & Reunification Annex** - With the assistance of Ms. Ortego and Mr. Kahla, the District's Emergency Operations Plan and Reunification Annex were reviewed and updated. Both plans have been submitted to the Texas School Safety Center for approval.
- **Good Cause Exception - FEMA Safe Dome** - A proposed Good Cause Exception has been developed to address the exterior doors at the FEMA Safe Dome. The proposed resolution is included on tonight's agenda for the Board's review and consideration.
- **TCHATT** - East Chambers ISD is officially onboarded with TCHATT, a free service that provides mental health support and resources for students and families. Mrs. Fowler assisted with district equipment setup and referral onboarding. As discussed at an earlier Board meeting, campuses can now begin utilizing the TCHATT referral process.
- **School Health Advisory Council (SHAC)** - Nominations have been gathered for the District School Health Advisory Council (SHAC). The proposed committee membership is included on tonight's agenda for Board approval. Once approved, the committee will begin meeting to support the District's student health and wellness initiatives and Wellness Plan
