Policy Updates

- Intensity of Services Funding Model has started its data collection/transition year. We have completed and submitted over 50% of our data as required for October submission. The rest will be submitted in December. New funding will not go into place until the 2027-2028 school year.

Trainings

- Attended TAC Update training regarding key revisions to the Texas Administrative Code and its implementation.
- 504 Roundtable- Collaboration with other districts in our Region.
- Attended Parent Compact and Title 1 Update for the 2026-2027 school year.

Staffing

- Working with the principals to hire paras to support increased student needs in our ABLE classrooms.
