Total	\$ 156,182.04

(Non-Audited
Report)

During the month of October, the School Nutrition Department will celebrate both **Farm Fresh Month** and **National School Lunch Week (NSLW)**. Throughout the month, we will feature locally grown produce on our menus to support regional agriculture and encourage healthy eating habits. Additionally, during National School Lunch Week, we will highlight the essential role nutritious school meals play in student achievement through special interactive lunchroom events and promotions.
