Dear McCall Donnelly School District,

We at Perpetua are writing to express our appreciation for the important work you do each day to educate, guide, and support our students. Schools play a vital role not only in academic development but also in the overall well-being of our young people.

Today's students face many challenges, including social pressures, academic expectations, lack of funds for appropriate winter clothing, and often a lack of healthy foods in and out of the home. Because of this, it is more important than ever that we work together to create an environment where every student feels valued and supported.

Our youth are the future of our communities. By investing in their physical, emotional, and educational well-being today, we help build confident, compassionate, and capable adults for tomorrow.

Perpetua is honored to support the students in the McCall Donnelly School District in the amount of \$6600 for the 2026-2027 school year. Our goal is to provide healthy snacks, winter, and other clothing for children who may lack necessary funds and additional school supplies for students to succeed in the coming year.

We are requesting that your District respond with information on how these funds were utilized, what this funding means for the school, along with pictures of the supplies purchased (we understand that pictures may not include the faces of students).

Your commitment to your students makes a lasting difference in their lives and in the future of our community. Thank you for your dedication to nurturing and caring for our young people and allowing us the opportunity to help them thrive in their school year.

If you have any questions, please reach out to us at Community@perpetua.us. You can also learn more about Perpetua Resources and our work in Idaho on our [website](http://PerpetuaResources.com).

Sincerely,

Perpetua Resources Team
