Re: Tuition Waivers for the 2026-2027 School Year and Transfer Update

Canutillo ISD has monitored the in-state inter-District transfers for the 2026-2027 school year. Administration is recommending approval of tuition waivers for these students. Students of these families reside in El Paso County, Texas; therefore, we will receive state funding for their attendance in Canutillo ISD, should you approve this request. All families understand that, if this request is approved, they are responsible for providing transportation for their children to and from school.

Please see the attached table for the total number of **intra** (within the district) and **inter** (outside the district) transfers that were approved. Also, note that the number of New Mexico “grandfathered” students is **2** FDA(REGULATION). We have **1** out of state student of an active military family as per Texas Education Code-Section 25.001(c-1) which allows active duty military families to be enrolled in Texas Schools:

(c-1) A person whose parent or guardian is an active-duty member of the armed forces of the United States, including the state military forces or a reserve component of the armed forces, may establish residency for purposes of Subsection (b) by providing to the school district a copy of a military order requiring the parent's or guardian's transfer to a military installation in or adjacent to the district's attendance zone.

The Academic Services Division continues to monitor district transfers during the 2026-2027 school year. In summary a total of 715 attend elementary campuses and 340 attend secondary campuses for a total of **1,055 Intra/Inter District transfers**.
