Re: Accept Intent to Retire Notification from Eligible Winfield 34 Certified Staff

---

Recommendation:

It is the recommendation of the Superintendent to accept the updated Intent to Retire Notification from Elizabeth Nelson.

Background:

The contract with the Winfield Teachers' Association provides an incentive for staff to inform the district as to the timeline for their projected retirement. Staff are encouraged to share their plans five years in advance, prior to February 15th of the year before the 5 years begin. We have received an updated intent to retire notification from Elizabeth Nelson.
