Current Statute:

TEC 26A.001(a)-(c), (e), 26A.002, and 26A.003 requires the school district to adopt a grievance policy. This policy, among other things, significantly extends the timelines currently provided for under the district grievance policies.

Local Guidelines:

East Chambers ISD seeks to resolve issues equitably, timely, and at the lowest level possible. The District believes its previous grievance policies were effective and achieved the goals of resolving complaints in a fair and timely manner. Upon Board adoption, ECISD will discontinue the grievance procedures adopted under TEC 26A and return to processing complaints using the District's grievance policies, which provide for more efficient and effective time management for resolving grievances.
