BOARD MEMBER CONFLICT
OF INTEREST**

**Board Member Voting
Restrictions**

Notwithstanding any other provision of law, a Governing Board member shall be eligible to vote on any budgetary, personnel, or other question that comes before the Board, except that it is unlawful for a member to vote on a specific item that concerns the appointment, employment, or remuneration of the Board member or a Board member's spouse or dependent as defined in A.R.S. 43-1001 and in accordance with A.R.S. 15-323.

Employment Limitations

No dependent, as defined in A.R.S. 43-1001, of a Governing Board member may be employed in the District, except by consent of the Board in accordance with A.R.S. 15-502. Small school Districts, as defined by A.R.S. 15-901, are granted an exception regarding employment of substitute teachers. [A.R.S. 15-421(E)]

No employee of the District or the spouse of such employee may hold membership on the Governing Board of the District. Small school Districts, as defined by A.R.S. 15-901, are granted an exception regarding employment of substitute teachers. [A.R.S. 15-421]

Pursuant to A.R.S. 15-421, the District is allowed to employ, including through a third (3rd)-party contractor who provides services to the District, any person who served as a member of the School District Governing Board during the preceding two (2) years only in a position in which the person will provide services directly to students, including as a certificated, a substitute teacher, and an employee or contractor who provides transportation, instructional support, or student support services. The District is authorized to increase the time period for this restriction to be more than two (2) years.

Conflicts of Interest

The District shall annually provide conflict of interest training to all Board members. The training shall include information regarding the District's policies regarding conflicts of interest, what constitutes a substantial and remote interest under the applicable statute, the definition of relative pursuant to A.R.S. 38-502(9), how and when to complete the District's annual Conflict-of-Interest Disclosure Form, the requirements to refrain from discussion or voting on a matter in which they or a relative has a substantial interest, and the penalties for violating the applicable statutes.

Note: This material is written for informational purposes only, and not as legal advice. You may wish to consult an attorney for further explanation.

Each Board member shall annually complete and sign the District's Conflict-of-Interest Disclosure Form (BCB-E) and within fifteen (15) days of any change in circumstance. Board members shall complete and sign the Conflict-of-Interest Disclosure Form every January of their term and, if they are a new Board member, within five (5) days of starting their term. Evidence of the guidance provided and signed Disclosure Forms shall be maintained by the District in compliance with the Uniform System of Financial Records (USFR), and all disclosures shall be kept on file for public inspection as required by A.R.S. 38-509.

Any Board member or employee of the District who has, or whose relative has, a substantial interest in any contract, sale, purchase, or service to the District shall make known that interest in the official records of the District and shall refrain from voting upon or otherwise participating in any manner as a Board member or employee in such contract, sale, or purchase. [A.R.S. 38-503]

Any Board member or employee who has, or whose relative has, a substantial interest in any decision of the District shall make known such interest in the official records of the District and shall refrain from participating in any manner as a Board member or employee in such a decision. [A.R.S. 38-503]

"Refrain from participating in any manner" means more than just refraining from making a final decision. It means participating in any way in the process leading up to a decision. An employee with a conflict of interest must not make recommendations, give advice, or otherwise communicate in any manner with anyone involved in the decision-making process.

Investigations

The District will investigate allegations of inadequate disclosure of substantial interests and/or inappropriate participation in a Governing Board meeting or other discussions when a substantial interest may exist.
