

More parent engagement!

As part of our ongoing parent engagement efforts, 4th grade math teachers recently held a game day with parents invited! Parents learned math games they could play with their child at home to build their math skills and have a great time doing it. We are grateful to the many parents who took time out of their day to attend and support their child's progress in math!

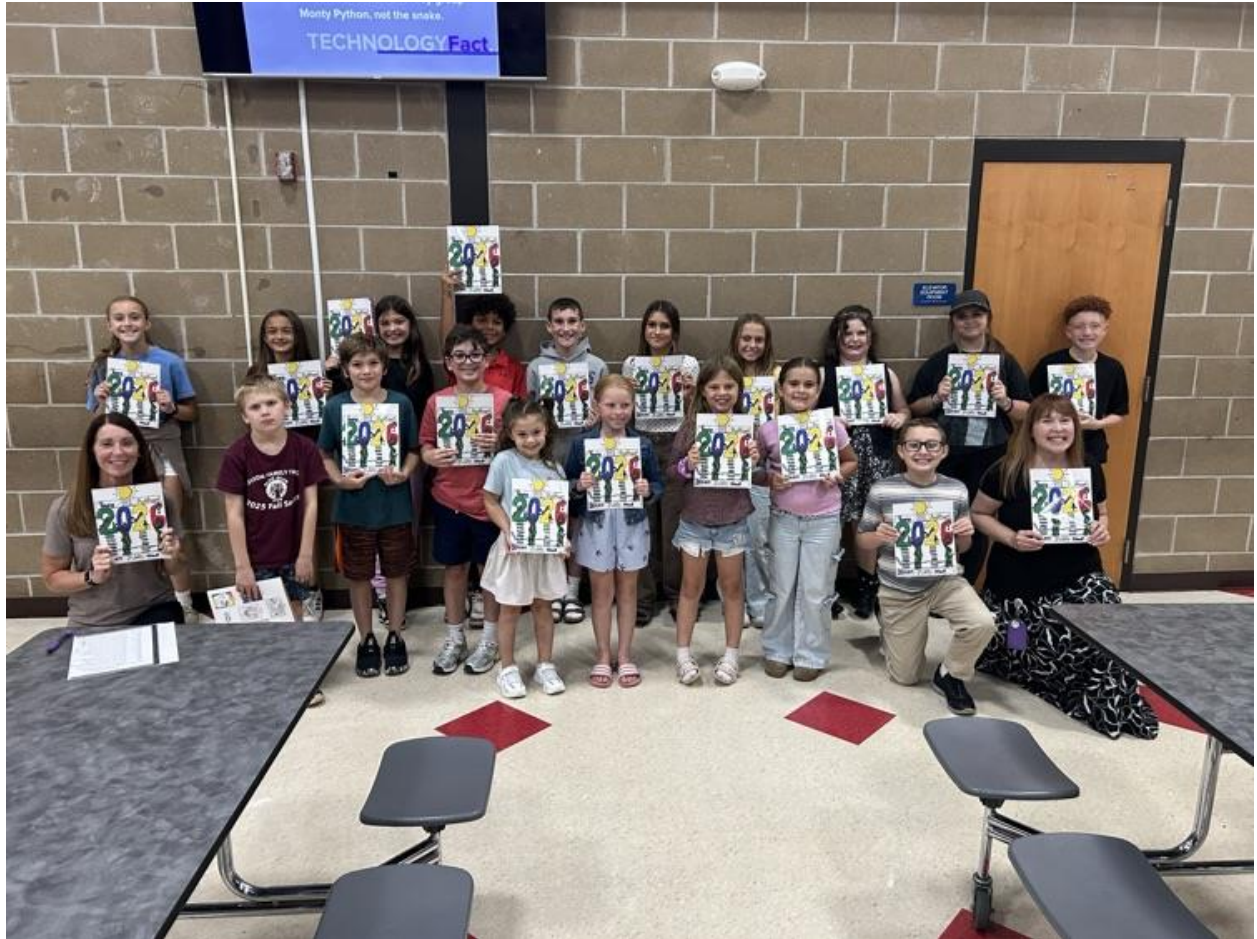

Fellowship of Christian Athletes continues at Madison!

Fellowship of Christian Athletes (FCA) recently held its third meeting at Madison with RMS students leading their peers from Madison. 46 students were able to attend and we are grateful for this opportunity for our students to gather in community to support one another.

Young Authors honored!

Our awards night for Young Authors was held recently at RMS. Students received their books and enjoyed cookies and ice cream while sharing their awesome writing with family and friends!
