

DENIA PARK & BORMAN ELEMENTARY SCHOOL UPDATE

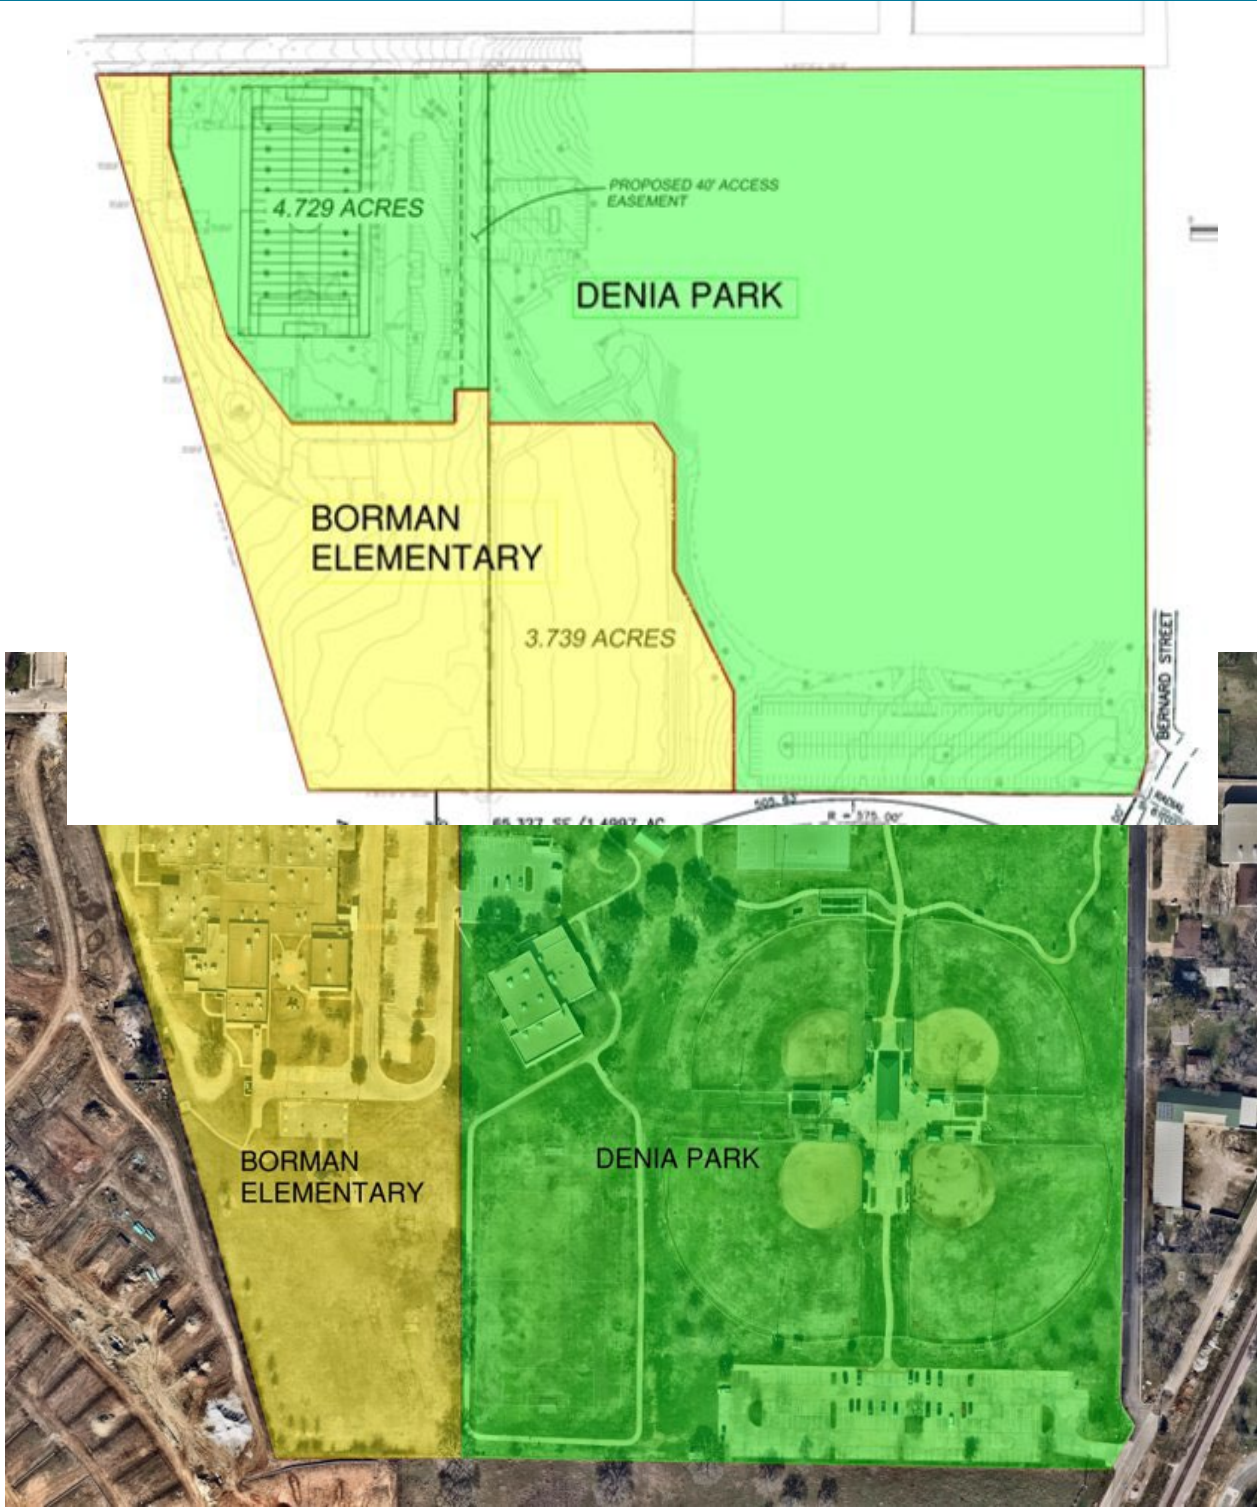

Jen Basham, Director of Parks and Recreation

Land Swap Background

Land was exchanged between Denton ISD & City of Denton for the purpose of construction of the new Borman Elementary School.

Ownership	Site
City of Denton (Green)	Denia Park
Denton ISD (Yellow)	Borman Elementary

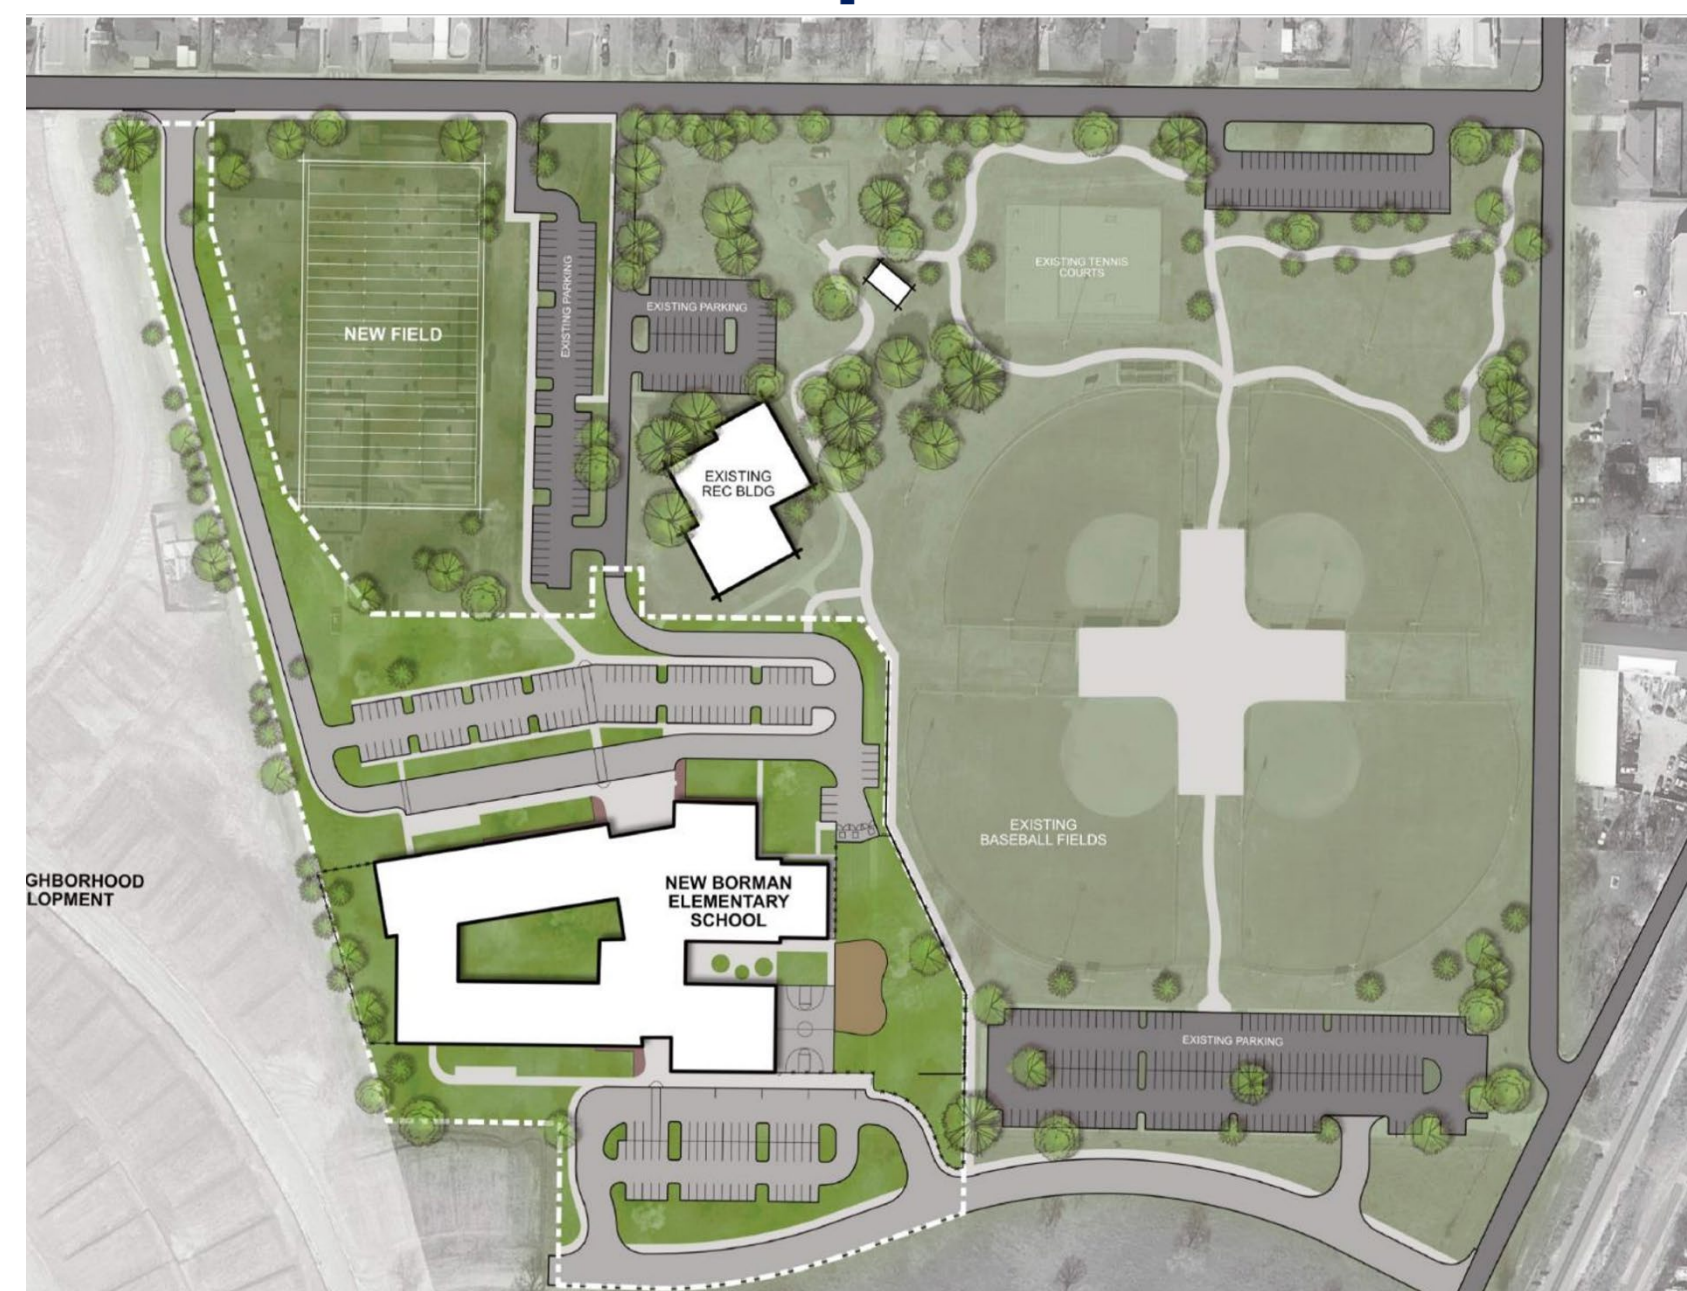

Impacts and Remedies

Park Impacts & Remedies

- Previous multi-purpose field removed
 - DISD to build multi-purpose field (no lights) on the former Borman site.
 - Repurpose existing school parking lot for field and recreation center.
- Improved vehicular and pedestrian circulation with new roads and trails.
- Safer entrance to Denia Park southern parking lot.
- Improved site drainage with detention pond.
- New Borman Elementary gymnasium to be accessible to City of Denton for recreational programming.

Conceptual Plan

Enhancements

Borman Status Update - DISD

5

Remaining Tasks:

- Performing overhead punches in all areas
- All paving, retaining walls, and site work are being completed
- Courtyard work ongoing through the end of May
- The storm shelter will be completed
- Finishes are ongoing throughout all areas

Upcoming Initiatives

- COD and DISD staff coordinating for upcoming improvements
 - Multi-purpose field and associated amenities
 - Trails
- New multi-purpose field to be open to the public by August 2027
- Activate the Shared Use Agreement for utilization of the new gymnasium for recreational programming

Summer Camp—Participation at DISD

Location	Capacity	Enrollment	Utilization
Calhoun Middle School / North Lakes Rec Center	825	778	94%
WS Ryan Elementary / Denia Rec Center	645	591	92%
Newton Rayzor Elementary	450	438	97%
Strickland Middle School	674	643	95%
McMath Middle School	765	727	95%
	3359	3177	94.58%

- 11.5 total camp weeks (9 weeks held in 5 DISD Campus Sites)
- Increase of 353 camp attendees over 2025 attendance
- Middle School locations and newer elementary schools provide larger gyms for increased capacity
- Middle School constraint included non-secure outdoor play spaces

Summer Camp- Conclusion

Scheduling

- DISD back to school schedule and camp schedules overlap the last 2.5 weeks of summer
- Alternate camp locations to end the season

Follow Up

- As part of planning for next year, staff and the ISD anticipate debriefing together to celebrate this year's successes, share lessons learned, and identify opportunities to make next year even better

Thank you for your continued partnership!
