Our school's monthly attendance rate for September was 95.8%, which was up 1.5% from last year. Our student leadership team is working on presentations about why attendance is important and when they should stay home versus when they should come to school that they will be presenting to each class this month. They are also working on a school wide incentive that focuses on attendance. Our school wide goal is to have 80% of students be regular attenders for the entire school year.

Safety:

We conducted our first fire drill on 9/10.

Discipline:

We have had 75 major referrals from 9/08 - 10/2.
