Message from the Principal

Dear Fleming Families,

As we move into October, I want to take a moment to thank you for helping us get off to a fantastic start to the school year. Every day, I have the privilege of seeing our students working hard in their classrooms, building positive relationships, and demonstrating what it means to be Respectful, Responsible, and Resilient.
One of the things that makes me most proud is watching our students grow as leaders. Whether they are helping a classmate, participating in discussions, representing their school positively, or stepping outside their comfort zone to try something new, our Cavaliers are showing that leadership is not about a title—it is about making a positive impact on others.

This year, we have also launched something truly special at Fleming Middle School: our new House System.
Our vision at Fleming is to create the most incredible learning environment in the world by filling every classroom with engaging strategies, innovative methods, purposeful movement, and high expectations so that every child can achieve great success. The House System is one more way we are bringing that vision to life.

Every student and staff member has been placed into one of four houses:

House of Canyon – Stand Strong
House of Aurora – Shine Bright
House of Summit – Rise Higher
House of Northstar – Lead the Way

Why did we create a House System?

Because we believe every student deserves to feel connected, valued, and part of something bigger than themselves.
Our House System helps:

- Build meaningful relationships across all grade levels.
- Create friendships between 6th, 7th, and 8th grade students.
- Increase school pride and school spirit.
- Encourage leadership, teamwork, and service.
- Engage every student in the life of our school.
- Foster a sense of belonging where every student has a place to connect.
- Celebrate positive behavior, academic growth, attendance, and character.

- Strengthen our culture of TRUST, support, and encouragement.

Most importantly, the House System encourages students to take ownership of their learning and behavior while working together toward common goals. Students will have opportunities throughout the year to earn points for their house through academics, attendance, citizenship, leadership, service, and school involvement. Together, we are creating a school where students feel connected, challenged, and inspired to do their very best.
As we continue through the school year, I would also like to remind families about the importance of attendance.
School attendance matters. Learning is required, and every day counts—especially on a four-day school week. Missing even one day can make it difficult for students to keep up with classroom learning, assignments, and important connections with their teachers and peers.

Our goal this year is to achieve a schoolwide attendance rate of **92%** or higher, and we need your help to get there. We encourage every parent and guardian to be their child's **Morning Champion** by establishing routines that help students arrive at school on time, ready to learn, and prepared for success.

When students attend regularly, they learn more, achieve more, build stronger relationships, and develop habits that will benefit them throughout their lives.

Thank you for your continued partnership, support, and trust. On behalf of our entire Fleming staff, thank you for allowing us to play a role in your child's life and education. We are grateful for the opportunity to work alongside you as we help every student learn, grow, and succeed.

Together, we will continue to build a school culture where students are ALL IN, staff are ALL IN, and families are ALL IN.

ALL IN...ALL CAVS!

7th Grade Science with Mr. Steele

Requirements versus restrictions, constraints versus criteria: No matter how you describe it, the process of Engineering and Design is where creativity and science collide! Mr. Steele's 7th grade science class took to Lake Fleming to test out their boat builds and see if these guidelines could keep their boats afloat. Students learned how to take the limited items available to them and creatively find ways to apply them to builds as well as learning how challenging it can be to work in a team with multiple ideas. Collaboration through communication was key though and all in all, 7th grade science sailed across the water with ease.

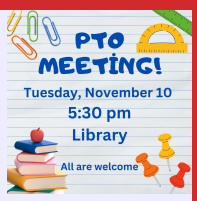

Great job 7th grade!

Fleming Middle School PTO Meeting

Dear Fleming Middle School Families,
We would love to see more of our families get involved with our PTO! Our PTO is a great way to connect with other families, support our students, and help make special activities and opportunities possible at Fleming Middle School.
Our next PTO meeting will be **Tuesday, November 10**. We hope you'll consider joining us—even if you're new to PTO or can only participate occasionally. **Every bit of help and every idea makes a difference!**
Come meet other families, hear what's happening at school, and find out how you can be involved in a way that works for you.
We hope to see you there!
Go Cavaliers!

8th Grade Dance

Dear 8th Grade Parents and Families,
As we look ahead to the end of the school year, we are excited to celebrate our 8th grade students and all they have accomplished! One special tradition is the **8th Grade End-of-Year Dance which is a parent/student-led event**.
The planning, organization, and fundraising for the dance will be the **responsibility of the 8th grade parents and students**. This includes forming a planning group, determining the details of the event, securing any needed supplies or services, and raising the funds necessary to cover the costs.
Fleming Middle School is happy to support the event by providing guidance and helping coordinate with the school as needed; however, the **responsibility for organizing and funding the dance will remain with the 8th grade families**.

If you are interested in helping make this a special celebration for our 8th graders, we encourage you to get involved early. Your ideas, time, and fundraising efforts will help create a memorable way to celebrate this important milestone!

Thank you for supporting our 8th grade students and helping make their final year at Fleming Middle School a special one!

Sincerely,

Fleming Middle School

Fleming Advanced Band & North Valley High School Band Night

Sept. 25th, 2026 ~ A Night of Music, Fun & Connection

Our Fleming Middle School Advance Band students had an amazing time at North Valley High School Band Night! It was a wonderful opportunity for our middle school musicians to join the North Valley High School band students for an evening filled with music, laughter, friendship, and school spirit.

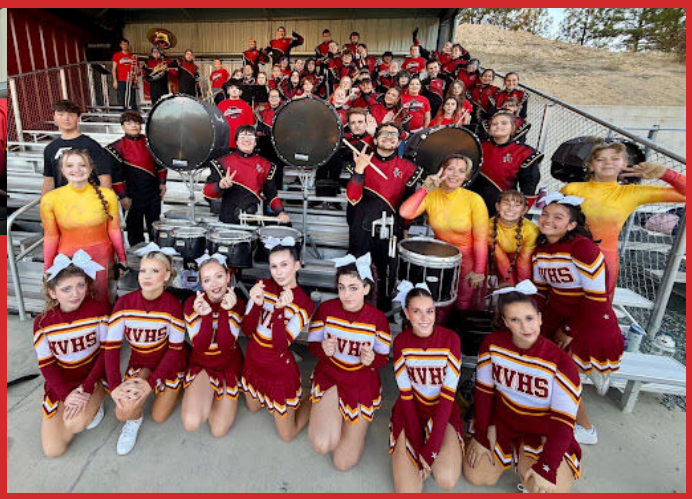

The students shared a night of making music together, learning for one another, and building connections that will continue to grow as our young musicians move through their music journey. Seeing our Fleming students alongside the high school musicians was a wonderful reminder of how music brings students together across grade levels.

A special thank you to Mr. Jones and North Valley High School Band students for welcoming our Fleming Musicians and making the evening so memorable. We are proud of our Advanced Band students for representing Fleming Middle School with enthusiasm, kindness, and a love of music!

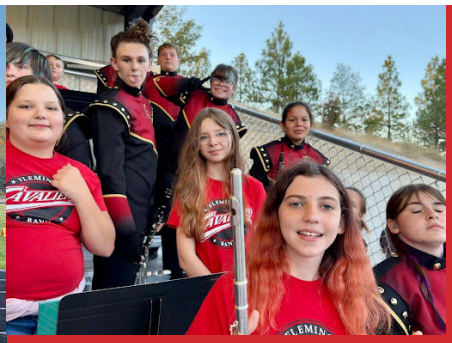

~ What a fantastic night to be a musician!

The McKinney-Vento Act ensures that children and youth experiencing houselessness are
provided uninterrupted access to education and services despite the lack of a fixed,
adequate, nighttime place of residence. For more information, or to see if you qualify for McKinney Vento support, please contact your school's main office and ask for the Family Advocate.

McKinney-Vento Program

Support for Families Experiencing Housing Instability

The McKinney-Vento Act ensures that children and youth experiencing houselessness are provided uninterrupted access to education and services despite the lack of a fixed, adequate, nighttime place of residence.

Housing instability may look like...

⇒ Doubled-up with others due to loss of housing or economic hardship
⇒ Living in a motel or shelter/transitional home
⇒ Living in a car, tent, etc.
⇒ Living in unsafe or inadequate conditions such as a house or building without electricity or plumbing.

Support may include...

⇒ Immediate school enrollment
⇒ Remaining in school of origin
⇒ Transportation to and from school of origin
⇒ School supplies and clothing
⇒ Participation in school activities and programs
⇒ Support from your school's Family Advocate

For more information, or to see if you qualify for McKinney Vento support, please contact your school's main office and ask for the Family Advocate.

Programa de McKinney-Vento

Asistencia para las familias que estén pasando inestabilidad en la vivienda

La Ley McKinney-Vento garantiza que los niños y jóvenes sin hogar se les proporcione acceso ininterrupido a la educación y a los servicios a pesar de la falta de una vivienda nocturna fija y adecuada.

La inestabilidad de la vivienda puede tener aspecto de...

⇒ Estar viviendo con otros debido a la perdida de vivienda o dificultades economicas
⇒ Estar viviendo en un motel o refugio/lugar transicional
⇒ Estar viviendo en un coche, tienda de campaña, etc.
⇒ Estar viviendo en lugares inseguros o en condiciones inadecuados

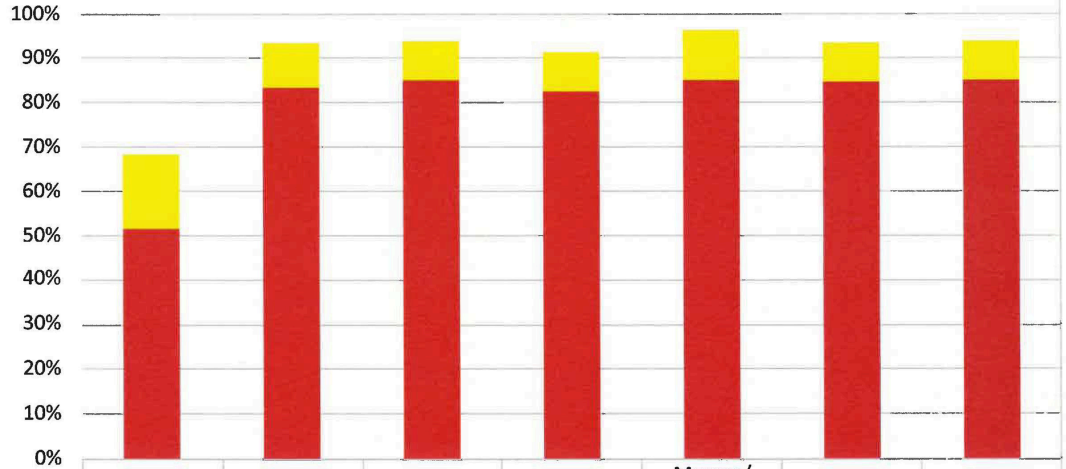

como en una casa o edificio sin electricidad o sin fontaneria

Los servicios de asistencia pueden incluir...

⇒ Inscripcion escolar inmediata
⇒ Permanecer en la escuela de origen
⇒ Transporte hacia y desde la escuela de origen
⇒ Útiles escolares y ropa
⇒ Participación en actividades y programas escolares
⇒ Apoyo de parte del partidario familiar de su escuela

Para obtener más información o para ver si califica para recibir soporte de McKinney Vento, comuníquese con la oficina principal de su escuela y pregunte por el partidario de Familia.

K-12 Data, 2025-2026 academic year

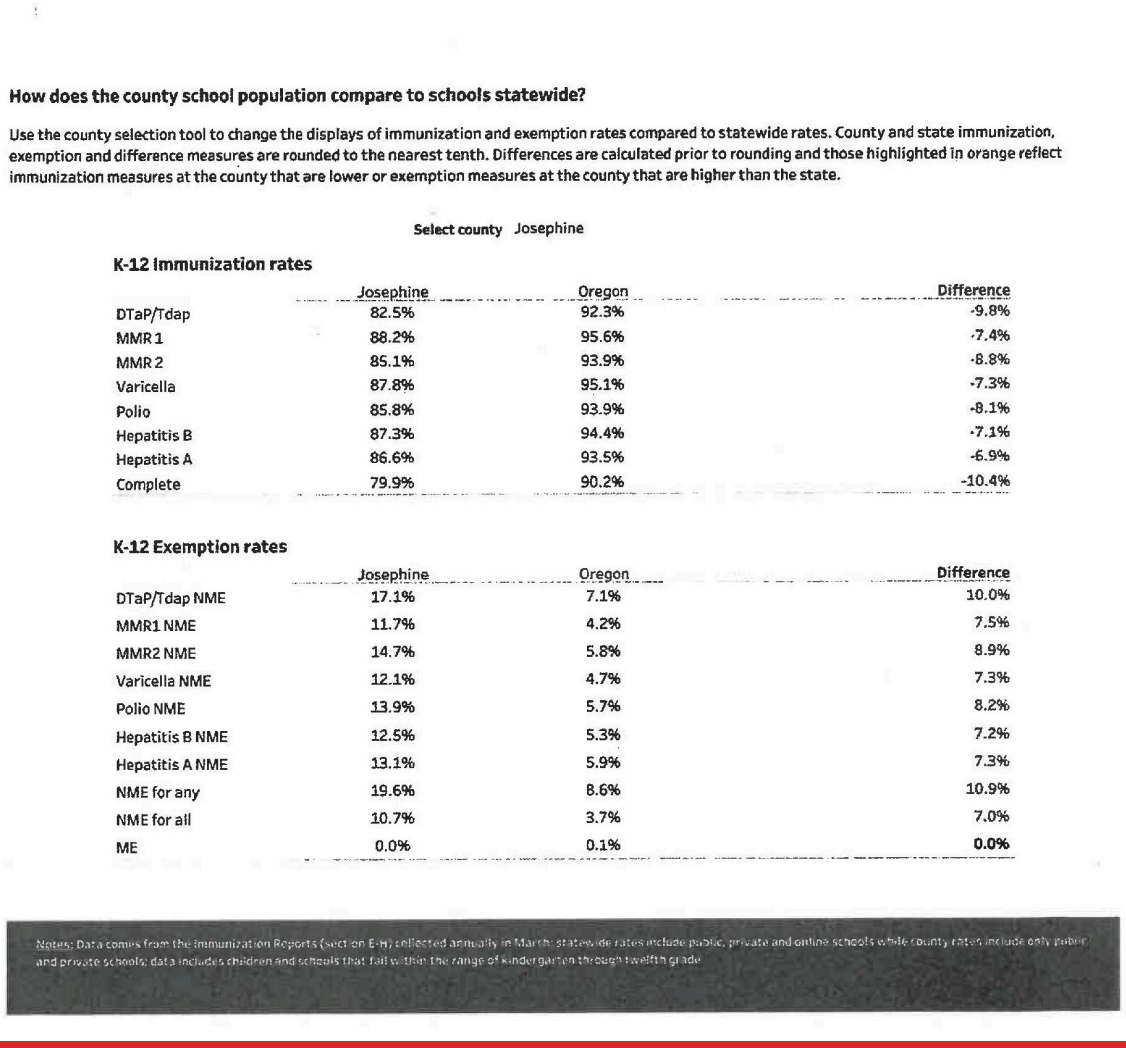

Statewide, 90.2% of K-12 students were complete, 8.6% had a nonmedical exemption for any school-required vaccine, and 3.7% had a nonmedical exemption for all vaccines.

This map shows the percent of K-12 students with complete school-required vaccines by county. The darker the color, the higher the vaccination rate.

This map shows the percent of K-12 students with a nonmedical exemption to any school-required vaccine by county. The darker the color, the lower the exemption rate.

How does the county school population compare to schools statewide?

Use the county selection tool to change the displays of immunization and exemption rates compared to statewide rates. County and state immunization, exemption and difference measures are rounded to the nearest tenth. Differences are calculated prior to rounding and those highlighted in orange reflect immunization measures at the county that are lower or exemption measures at the county that are higher than the state.
