Re: Committee of the Whole – October 12, 2026

This memo is to request a Committee of the Whole agenda item for October 12, 2026 during which I will provide the following:

- A preview of the Points of Pride item for the regular meeting on October 19, 2026 during which I will present a Certificate of Appreciation to Ford Motor Company for two financial donations to our district.
 - The first donation was issued to the LPS Education Foundation for backpacks and school supplies for 1,000 students.
 - The second was issued to the Livonia Warriors Robotics Team for the purchase of computer equipment for the program.

Thank you for your consideration.
