

Clara Brownell Middle School

October 2026

We had fun celebrating UHS homecoming week! Students and staff participated in the dress-up days for the week to win points for their advisory classes. The highest participation numbers came from the advisory classes of Mrs. Laurence and Mrs. Collins. They accumulated points for their teams, and they also got the added bonus of donuts for their class!

On Friday of homecoming week, we celebrated our athletes from football and volleyball with some fun games. Anthony Brown also introduced our incentive program for this year, the 1-or-less-is-best challenge. Each month, we'll focus on one piece of student success (e.g. attendance, grades, behavior), and each student who fulfills the target requirements will receive a ticket. Those tickets can then be exchanged for prizes, ranging from stickers to Vikings hoodies. October's focus will be on behavior, so any student with 1 or less

referrals to the office will earn a ticket.

The Great Oregon Shakeout is a statewide earthquake drill, and we will be participating on October 15 at 10:15am. We use this opportunity to review emergency response protocol for earthquakes with our students, and the drill fulfills the first of our two required earthquake drills for the year.

Fall MAP testing is just about complete, and I'll provide highlights in next month's report.
