

Terrell Independent School District

Executive Summary Report

Date	District Guiding Pillar	
October 19, 2026	Goal 5: Community Engagement and Outreach: Elevate district pride by strengthening partnerships with families, community, and the business community.	

Agenda Item: Consider Approval of the MOU Between TISD and Trusted World Foundation

Summary:

Trusted World Foundation Inc., a Texas nonprofit corporation, operates a large warehouse with a digitalized inventory system. Donated clothing is carefully sorted, and only high-quality items are distributed to families via the school district. Clothing that does not meet distribution standards is recycled, with proceeds used to purchase essential undergarments.

Trusted World typically delivers emergency food and clothing directly to participating school districts. During the initial phase of the partnership, Terrell ISD may pick up items as needed until the district can be incorporated into Trusted World's regular delivery schedule.

Michael Garrett is CEO and founder of Trusted World, which is based in Garland and currently partners with Garland, Plano, Richardson, McKinney, Allen, and Greenville ISDs. A partnership with Terrell ISD would be Trusted World's first school district partnership in Kaufman County.

Mr. Garrett has expressed an interest in meeting the superintendent to introduce himself and provide an overview of the organization's programs and opportunities available to Terrell ISD families. As part of the partnership, Trusted World has requested that Terrell ISD identify the organization as a district partner in applicable district communications and marketing materials.
