Dear FOIA Officer,

I am writing to follow up on my Freedom of Information Act request dated September 8, 2026, regarding the District's student transportation contracts, rates, and payments.

Under 5 ILCS 140/3(d), the District was required to respond within five business days of receipt. That deadline has now passed, and I have not received a response, extension notice, or denial.

Please provide the requested records, or a written response under the Act, as soon as possible. If you need additional time, please let me know in writing.

Thank you,
Odeh Tadros
