Subject: Illinois Freedom of Information Act Request

Morning!

Under the Illinois Freedom of Information Act, I'm requesting the following public records for Fiscal Years 2024-25, 2025-26, and 2026-27 (or the FY 2027 tentative budget):

1. Current salary schedules for all certified teaching staff, showing steps and lanes
2. A list of all administrative positions with corresponding salaries and any bonuses or stipends paid, for the same fiscal years
3. Year over year headcount for administrative positions versus classroom teaching positions
4. Any documents showing the percentage salary increase assumptions used in building the FY2026 budget for staff compensation

Please provide these records in electronic format if available. I understand the district has 5 business days to respond under FOIA, with a possible 5 day extension. Thank you!!

Christine Jordan
