III. INTERVIEWS FOR BOARD VACANCY IN ZONE 5

The Board interviewed Keith Gary, Evan Wickersham, Gloria Crisp, and Leo Groner for the vacancy on the CCC Budget Committee in Zone 5.

The interview questions asked were:

- 1. What interests you about serving on the Clackamas Community College Budget Committee, and how do you see your role as a Budget Committee member? What perspective, experience, or skills would you bring to the committee?*

2. *The Budget Committee has an important responsibility to help ensure public funds are used responsibly. What does good financial stewardship mean to you, and how would you approach reviewing a budget?*
3. *Community colleges often have more needs than available resources. When difficult budget decisions have to be made, what information do you find useful when trying to justify these decisions publicly?*
4. *Clackamas Community College serves students from a wide range of backgrounds, circumstances, and experiences. How would you consider equity and inclusion when evaluating budget priorities?*
5. *Tell us about a time when you were part of a group that had to make a difficult decision where people had differing opinions or priorities. How did you contribute to the process and help the group to come to consensus. What did you learn from this experience?*
6. *Do you have any questions for us?*

Each candidate interviewed had an opportunity to introduce themselves, share information about their background and experience, and were also provided time to ask questions of the Board.

IV. NEW BUSINESS – ACTION

1. Board Deliberation and Budget Committee Member Appointment

The Board discussed the differences each candidate had to offer and the benefits of having them on the Budget Committee.
