EXECUTIVE SUMMARY

Financial Integrity Rating System of Texas (FIRST)

The Canutillo Independent School District has received a "Meets Standard Achievement" rating on the Financial Integrity Rating System of Texas, the State's fiscal accountability rating. It is an indication that our District is financially stable. The other available ratings are "Superior Achievement," "Above Standard Achievement," and "Substandard Achievement."

The FIRST is the result of legislative action (Senate Bill 875 of the 76th Texas Legislature in 1999) designed to require school districts to annually report to its governing body (the Board) and the public, information that the Commissioner of Education deems relevant. The Texas Legislature has given the Commissioner of Education, who is subject to the Governor, rulemaking authority to establish the information criteria to be included in the disclosure. The information is required to be disclosed at a public meeting of the Board. In addition, the law requires a public hearing that allows any taxpayer of the District to address the Board concerning the report.

The Commissioner's rules regarding FIRST are included in the Texas Administrative Code (TAC) Chapter 109 Subchapter AA.

The Texas Education Agency (TEA) and the Texas Association of School Business Officials (TASBO) have jointly developed a recommended presentation format that is used in this report.

The FIRST rating system includes twenty-one individual indicators.

Out of a possible 100 points, Canutillo ISD scored 78 of 100.

The 2025-2026 (Fiscal Year 2025) District Status Detail is presented in the Appendix section of this report. The Status Detail reports indicate a history of rankings in the District's financial management. These reports are derived from the District's audited financial statements and other information submitted to TEA via the Public Education Information Management System, also known as PEIMS.
