Goal 5: Community Engagement and Outreach: Elevate district pride by strengthening partnerships with families, community, and the business community.	

Agenda Item: Consider Adoption of the TISD 2026-2027 Board Goals, and Approval of District Improvement Plan and Campus Improvement Plans

Summary:

Terrell ISD District Improvement Plan, and Campus Improvement Plans for the 2026-2027 school year.

The District Improvement Plan (DIP) sets out the strategies that will lead to achieving the District's four guiding pillars:

1. Expect students to engage in rigorous learning for high student achievement.
2. Expect a high quality and safe learning environment both physical and social-emotional, for high student achievement.
3. Expect transparency and decisions that support long term financial stability for high student achievement.
4. Expect engagement with families and community for high student achievement.

Campus Improvement Plans (CIP) mimic the District Improvement Plan in targeting the same goals; however, the strategies may differ based on individual campus needs assessments. Improvement Plans in their entirety include the staff members responsible for monitoring, progress measures, district resources used to meet the targets, personnel and budget information. District and Campus Improvement Plans are living documents, and strategies may be modified throughout the school year; however, goals remain steadfast.
