HOMECOMING IN RIO

School spirit was in the air as Dixon High School celebrated another Homecoming season at the end of September. Students truly embodied what it means to be a Duke or Duchess as they participated in decorating the hallways, fun dress-up days, played games during the pep assembly, demonstrated club pride in the parade, showcased their athletic achievements, and capped off the week with a memorable night of dancing at the Dixon Riverfront.

STATE VISIT

Our Agriculture classes welcomed FFA State President Bryer Nelson for a special visit. Mr. Nelson guided students through leadership activities, discussions on goal setting, and conversations about exploring careers in agriculture. Through these activities, students had the opportunity to connect with one another and gain a deeper understanding of what it means to be a member of the FFA.
