SUBJECT: Discuss to Approve the donated work secured by the Terri Rambie Foundation's for tennis court renovations at the UCISD Terri Rambie Tennis Complex that will be at no cost to the district

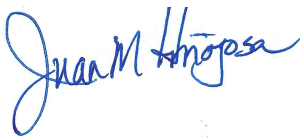

BACKGROUND:

The Terri Rambie Foundation has supported the school district and community tennis communities since the creation of the foundation in 2025. The foundation is currently interested in renovating the tennis courts located south side of the complex. The tennis court's foundation has deteriorated to a level that the courts are nearly unusable and pose a safety hazard for the students. This renovation will correct the foundation issue and will return the courts to a playable state.

RECOMMENDATION:

Staff recommends approval of the donated work by the Terri Rambie Foundation to renovate courts at the tennis complex that will be at no cost to the district.
