Dear Jesse,

At their regular board meeting held on October 6, 2026, the Alpena County Road Commission Board approved purchasing new signage from Dornbos Signs for a total of \$11,513.48. Of this where are 76 road name signs totaling \$2,280.49.

Historically road name signs have been paid for by the County of Alpena to aid emergency services in finding addresses.

Therefore, I am asking the County to approve paying the Road Commission \$2,280.49 in order for us to produce a purchase order for the full amount.

Also, although we did not order any road name signs last year, I would recommend making this an annual item in the budget. Historically to my knowledge it has always been included in the ambulance fund.

Thank you,

Ryan Brege
