

REQUEST FOR COUNCIL ACTION

Meeting

Date: Oct 13, 2026

AGENDA SECTION: General Business	ORIGINATING DEPT: Administration
ITEM DESCRIPTION: Emergency Warning Siren	PREPARED BY: C.Jefferson

Over the past two months, Emergency Management Director Jon Jacobson and City staff have reviewed Stewartville's emergency warning capabilities and identified a need for an additional siren in the northwest portion of the City.

The proposed siren would improve emergency warning coverage for the Southern Hills, Petersen Subdivision, and Schumann Business Park areas.

The City sets aside funds each year for the emergency warning siren program, which is coordinated with Olmsted County. The current balance in the emergency siren fund is \$38,130.50.

Olmsted County Emergency Management has obtained a TIPS quote from Federal Signal Corporation for the proposed siren in the amount of \$33,339.10. Olmsted County will purchase and coordinate installation of the siren, with the City of Stewartville responsible for reimbursing Olmsted County for the cost. The quoted amount may be subject to additional installation costs or unforeseen requirements.

COUNCIL ACTION REQUESTED:

Consideration of authorizing reimbursement to Olmsted County Emergency Management for the purchase and installation of an emergency warning siren.

Number : **SYSQ21738**

 Date : **09/22/2026**

 Expiration Date : **12/31/2026**
